

Quality Intern

 Lunaphore Technologies SA

 Tolochenaz (Vaud), Switzerland

Job title: Quality Intern

Reports to the: QARA Engineer

Activity rate: Full-time

Type of contract: Internship

Start date: August 2021 or tbd

Duration: 6 months

About our company

Lunaphore Technologies is a young scale-up active in the Life Sciences field developing products based on a microfluidic technology to analyze tissue samples in immuno-oncology research. Lunaphore is seeking a highly motivated candidate to join our team and contribute directly to the development and growth of the company.

Job overview

We are looking for a QA Intern to strengthen our Quality Assurance and Regulatory Affairs department. The key mission is to support the QARA Engineers to ensure the maintenance and improvement of Lunaphore's Quality Management System (QMS).

Responsibilities and duties

- Documentation control: support in the implementation of a QMS software (migration, improvements of documents, trainings to other employees)
- Give QMS-related trainings to new employees
- Assist the QARA Engineers for the follow-up of quality processes (CAPA, KPI, Technical Documentation)

Required qualifications

- Bachelor or Master degree in a Life sciences/Engineering related field
- Knowledge of quality standards such as ISO9001 is a plus
- Good knowledge of Microsoft Office software programs (Word, Excel, Powerpoint)
- Proficiency in English (at least C1), French / German / Italian is a plus.

Required soft skills

- Organizational skills and attention to detail
- Ability to manage deadlines and multiple priorities
- Ability to interact and work in a multi-disciplinary team
- Capacity to adapt in a constantly changing environment

We offer

- A young and strong-growing high-tech company.
- A diverse and international working environment with a strong network.
- A highly interactive team with strong personal and technical qualities.

How to apply

Send your complete application through human.resources@lunaphore.com

Applications from Non-EU/EFTA nationality holders

Non-EU/EFTA nationals are subjected to restrictions/conditions from the Swiss government. For this reason, we will privilege CH/EU/EFTA candidates.
