About our company

Lunaphore Technologies is a company born with the vision of accelerating cancer research, by making spatial biology mainstream in every research laboratory. We build solutions that simplify technology adoption for discovery and translational research laboratories and empower researchers to develop better targeted treatments for cancer and other diseases. Lunaphore is seeking a highly motivated candidate to join our team and contribute directly to the development and growth of the company.

Job overview

We are looking for a 'Corporate Finance & Strategy Associate' to provide support to the executive team on capital raising activities as well as selected strategic initiatives, and who is ready to join a hard-working team, passionate about taking Lunaphore to the next level.

Responsibilities and duties

- Support the management with capital raising activities and key strategic initiatives across the company.
- Build financial projections and valuation models, incl. various scenario analysis.
- Prepare and coordinate investor presentation materials.
- Lead transaction-related due diligence process and data room management.
- Perform market and competitive landscape analysis.
- Engage with key stakeholders as part of multiple projects.
- Assist the management for meetings with current and potential investors, the Board of directors, bankers, lawyers, and other external parties.
- Prepare ad-hoc analysis, modeling, research, and presentations on an as needed basis to help drive business strategy.
- Contribute to maintain and improve the quality system in order to comply with all applicable regulation and standards, especially with ISO 9001.

Required qualifications

- 5+ years of experience in investment banking, venture or private capital firm, or corporate finance strategy role, preferably with exposure to high growth companies.
- Experience in M&A is a plus.
- Master's degree in finance, economics, or accounting from a top tier university.
- Understanding of life-science tools and diagnostics landscape is a strong plus.

Required soft skills

- Know-how in fundraising as well as transaction-related processes and agreements.
- Excellent written and oral presentation skills in English, with the ability to present to executive management and external partners.
- Strong proficiency with PowerPoint and Excel.
- Natural comprehension of complex interdisciplinary problems.
- Excellent organizational skills, attention to detail and ability to manage deadlines.

We offer

- A young and strong-growing high-tech company.
- A diverse and international working environment with a strong network.
- A highly interactive team with strong personal and technical qualities.
- An environment where you can have a real impact.
- An environment where you will have the place to grow professionally and personally.
- An ambitious project within a young and strongly growing high-tech scale-up.
- A diverse and international working environment with a strong network.
- A highly interactive team with strong personal and technical qualities.
