 Lunaphore Technologies SA

 Tolochenaz (Vaud), Switzerland

**Job title:** Legal Counsel

**Reports to the:** VP Finance

**Activity rate:** 60%

**Type of contract:** Permanent

**Start date:** 01.11.2021

**Duration:** Indeterminate

### About our company

Lunaphore Technologies is a company born with the vision of accelerating cancer research, by making spatial biology mainstream in every research laboratory. We build solutions that simplify technology adoption for discovery and translational research laboratories and empower researchers to develop better targeted treatments for cancer and other diseases. Lunaphore is seeking a highly motivated candidate to join our team and contribute directly to the development and growth of the company.

### Job overview

We are looking for a Legal Counsel to handle the company's legal processes as well as ensuring compliance with rules and regulations. This person will be responsible for drafting contracts and advising the executive management team. The coordination with various stakeholders for the opening of subsidiaries in the US and EU will be part of the main responsibilities

### Responsibilities and duties

- Management of corporate contracts and legal processes
- Structure, draft and review legal documents (NDAs, distribution and supplier agreements, collaboration agreements, capital raising activity, SOP, etc)
- Design and oversee the company's policy and position on legal matters, make recommendations to the management
- Serve as a nexus for the communication with the external legal counsel
- Coordination with external parties for the opening of US and EU subsidiaries
- Represent the company in contract negotiations and legal proceedings
- Ensure compliance with corporate laws and regulations, and guard the company against legal risks

### Required qualifications

- A validated experience of at least 5 years in a similar position.
- Master of Law. Lawyer's license is a plus.
- Proficiency in English.

### Required soft skills

- Excellent communication and negotiation skills
- Ability to both work autonomously as well as interact and work with various departments.
- Analytical mindset with strong attention to detail.
- Capacity to adapt in a constantly changing environment.

### We offer

- A young and strong-growing high-tech company.
- A diverse and international working environment with a strong network.
- A highly interactive team with strong personal and technical qualities.
- An environment where you can have a real impact
- An environment where you will have the place to grow professionally and personally
- An ambitious project within a young and strongly growing high-tech scale-up
- A diverse and international working environment with a strong network
- A highly interactive team with strong personal and technical qualities
